3. Overview of the Go Private Plan

On 4 October 2024, the Company announced the Go Private Plan by issuing Disclosure of Information to the Shareholders and announcement of the EGMS on IDX's, KSEI's, and the Company's websites as well as on 2 (two) Indonesian newspapers (Investor Daily and Kontan). The Disclosure of Information to the Shareholders has also been sent to the Shareholders by registered mail starting from 4 until 9 October 2024. Then, on 7 November 2021, the Company has announced the Amendment and/or Additional Disclosure of Information to the Shareholders on the IDX's, KSEI's and the Company's websites as well as in 2 (two) Indonesian newspapers (Investor Daily and Kontan). The invitation to attend the first EGMS was announced on the IDX's, KSEI's and the Company's websites and was published in the same newspaper on 19 October 2024. The first EGMS related to the Go Private Plan was held on Monday, 11 November 2024 where the attendance quorum was not reached at the first EGMS.

Further, on 25 November 2024, the Company has made the invitation to attend the second EGMS that is announced on the IDX's, KSEI's and the Company's websites as well as on 2 (two) Indonesian newspaper (Investor Daily and Kontan). The Company has also announced the Addendum of Disclosure of Information on the IDX's, KSEI's and the Company's websites as well as on 2 (two) Indonesian newspaper (Investor Daily and Kontan), on 28 November 2024. The second EGMS related to the Go Private Plan was held on Monday, 2 December 2024 where the attendance quorum was not reached at the second EGMS. As such, the Company has submitted the request to invite and hold the third EGMS to OJK on 3 December 2024. Based on the ruling of OJK No. S-23/PM.2/2024 dated 10 December 2024 ("**OJK Ruling**"), the third EGMS can be hold on Wednesday, 18 December 2024 and therefore, the Company again announced the invitation to attend the third EGMS and has been announced on the IDX's, KSEI's and the Company's websites as well as in 2 (two) Indonesian newspapers (Investor Daily and Kontan) on 11 December 2024.

The third EGMS to approve the Go Private Plan is scheduled for 18 December 2024, at 14.00 Western Indonesian Time until completion, which will be held at Gerbera Room, Hotel Mulia Senayan Jakarta, Jl. Asia Afrika Senayan, RT 1 RW 3 Gelora, Kec. Tanah Abang, Jakarta Pusat. The Company will also hold the third EGMS electronically based on POJK 16/2020 through the KSEI Electronic General Meeting System (eASY.KSEI).

In the event that the third EGMS approval regarding the Go Private Plan is obtained by the Company, such approval shall also be deemed as the granting of approval for all of the actions to be taken by the Company as part of the Go Private processes, including the following matters:

- a. relating to the change in the Company's status:
 - (i) ratification of the appointment of an Independent Valuer For Go Private Plan and approval of the Share Valuation Report; and
 - (ii) approval of the change in the Company's status from a public company to a private company;
- b. relating to the Delisting of Shares from IDX, namely approval of Delisting from IDX;
- c. amendment to the Articles of Association, which includes a change in the Company's status from a public company to a private company; and
- d. authorizing the Board of Directors to take all necessary actions to implement points (a), (b) and (c) above.

Based on POJK 3/2021 juncto POJK 15/2020, to protect the interests of the public Shareholders of the Company, the implementation of the Go Private Plan must obtain the approval of the Independent Shareholders. Since at the first and second EGMS on the Go Private Plan the attendance quorum was not fulfilled, then based on the OJK Ruling, the approval of the Independent Shareholders at the third EGMS must be attended by Independent Shareholders representing 20% (twenty percent) of the total number of Shares with valid voting rights owned by the Independent Shareholders. At the third EGMS, the resolution for the Go Private Plan is valid if approved by the Independent Shareholders

representing more than 50% (fifty percent) Shares owned by the Independent Shareholders who attend the third EGMS.

In the case where the Go Private Plan is approved at the third EGMS, an offer to purchase the Shares held by the public Shareholders will be made through a Tender Offer by Michelin. If the Go Private Plan is approved at the third EGMS, the public Shareholders who are not willing to sell their Shares in the Tender Offer will remain as Shareholders of a private company where the number of shareholders of the Company becomes less than 50 (fifty) or other number determined by OJK. Accordingly, such public Shareholders can no longer sell their Shares through IDX.

4. **Tender Offer and Offer Price**

If the Go Private Plan is approved at the third EGMS, an offer to purchase the Shares owned by public Shareholders will be made through a Tender Offer. Considering that the Company's shares have been temporarily suspended from trading on the IDX as of 26 July 2024, the offering price of the shares is as regulated in Article 76 letter (b) of POJK 3/2021.

In view of the foregoing, the Offer Price is **Rp8,400 (eight thousand four hundred Rupiah)** per Share is a price that has fulfilled the requirements as stipulated in Article 76 letter (b) of POJK 3/2021. Therefore, the Offer Price in the Tender Offer is a price that is with a premium of **95.5% (ninety five point five percent)** than the average price of the highest daily trading price of the shares on the regular market within the last 12 (twelve) months before the Trading Suspension. The average price as referred to in Article 76 letter (b) POJK 3/2021 is the price as attached in Appendix I of this Second Addendum of Disclosure of Information.

If the Go Private Plan is approved at the third EGMS, the public Shareholders who are not willing to sell their Shares in the Tender Offer will remain as Shareholders of a private company, where the number of shareholders of the Company will be reduced to fewer than 50 (fifty) or any other number determined by the OJK. As such, such public Shareholders will no longer be able to sell their Shares through IDX.

Based on Article 62 of the Company Law, Shareholders that do not approve the Go Private Plan are entitled to ask the Company to purchase their Shares at a fair market value. Pursuant to the appraisal of the Independent Valuer For Go Private Plan, namely Rp1,898 (one thousand eight hundred ninety-eight Rupiah) per Share.
