

MICHELIN INFLATABLE SOLUTIONS

Sport & Events

MOVIE SCREEN CAPTIVE AIR

DESCRIPTION

Suitable for outdoor or indoor projection, Michelin Inflation Solutions' inflatable screens are revolutionary because of their light weight, compact size and ease of use. Ideal for indoor use, from private screens for a few dozen people to large-scale outdoor screenings for several hundred people.

These inflatable screens are silent! They don't require a permanent blower, so you won't hear any noise during your projection and you'll save energy!
