

MICHELIN

Condor

OUR BEST VALUE FOR MONEY

MICHELIN Condor aircraft tires:

-  Are engineered for extensive use with Michelin **reliability**. That is why, for so many years, they are so popular among **Flight schools**.
-  Are tough enough to handle the rigors of a learning environment, at an **economical price**, while offering **outstanding durability**.

Exceptional Stability

Provided by strong side walls, even after frequent hard landings.

Long Tire Life

Tough tread for high abrasion resistance and low heat generation.

Economical

Excellent durability for the money.

Peace of mind

Why settle for a retread when you can have a durable, high-value MICHELIN Condor tire instead?

Find your tire size online [here](#).
